Versatility, creativity, and flexibility behind the decks are key words in describing the talent of DJ Suspence. With such a varied background, he is gifted with a unique ability to blend new flavors and familiar sounds, creating a vibe that's addictive to audiences! Whether the event calls for hip-hop, house, Latin, reggae, pop, top 40 or even classic 80's and 90's, this is one DJ who has the crowd covered. Suspence was extensive experience in rocking the hottest nightclubs not only coast to coast but also internationally. It is no surprise that DJ Suspence has become a rising influence in the music industry. Born and raised in the Bronx, Suspence began dJing at an early age. Suspence excelled at the Institute of Audio Research's Audio Engineering, Music Recording, and Production Programs. While at IAR, Suspence worked at IAR Radio the University Station doing his own show! In addition he has broadcasted from various Internet radio sites. From there Suspence became the CEO of his is own Internet radio site Suspencefulent.com that houses its own community and sponsors many djs from all over the world. Suspence brings skill, dedication, and a whole lot of passion to his work! Suspence is a versatile dj that has the ability to remix any track by blending different types of music! Suspence has vast knowledge of engineering in studio or live music production, which includes music in genres of rock, Latin, and hip-hop! With the combination of microphone skills and his ability to scratch, cut, blend, and remix DJ Suspence is force to be reckoned with!
