FSODJ is a 14 year veteran night club DJ. He has spun for several very popular Portland venues including The Embers Avenue, CC Slaughters both the old stark street and new davis & 3rd locations, Panorama before its closure in 2004 and aura restaurant & lounge as a hiphop DJ. He is now the resident DJ for Boxes video bar and the Redcap Garage nightclub in downtown Portland Oregon. Although these are commonly known as "" venues they are frequented by many people of various colors, culture and orientation due to the entertainment value offered by both venues which are great music and good times!

In recent years FSODJ has visited Chicago for pride as well as DJing on a pride float. He is currently working with several contacts in Southern California operating several online music sites and club venues. In looking forward he hopes to expand in search of becoming a guest DJ at establishments, venues and party fundraisers in other communities.

FSODJ prides himself on quality and consistency. He provides a mix that is specially tailored to the venues he plays making him a flexible and powerful nightclub DJ. He has a broad knowledge in effects lighting and sound system design as well as some graphic arts and web experience. He also enjoys video production and field photography as a hobby which is often featured as visual arts in his venues.

FSODJ is ready to entertain you if you are into club music, dance, remixes, circuit, house and hip-hop FSODJ's music just might be what you are looking for!
