Here at Wreckless Beats, I believe in original song writing and innovative techniques. I strive to be a trendsetter within the world of music. I put no limits or boundaries on creativity, because I feel that music should represent the heart & soul. Music should always have conscious substance, and positive human morality underlying within. The music and sound itself, should make a lasting impression on all those who listen. So, I will continue to push the envelope with my musical creations and arrangements. I will always stray away from the expected route, make my mark, and blaze my own trail on this beautiful journey of emotional sound and harmony.

In 1982, When I Was 11 Years Old, I Started Spinning Records. Mostly HipHop, House, Dance And 80's Freestyle Music. I Have A Room Filled With Crates Of Records, Not To Mention All The Music My Parents Had Collected Since They Were Kids. If There Is One Place I Belong, It's In The Music Industry. I'll Do My Thing, And Nothing And No One, Will Ever Stop Me From Trying. I Will Also, Always Write New And Innovative Songs, To Display My Imagination, Potential, Skills And Ideas. I Can and Will, Do What I Love To Do. Music Isn't About Business, It's About Feeling, And As Long As I Never Forget That, My Music Will Always Be Pure.

To All The Independent Artists Who Know Me, Support Me, Work With Me & Show Me Love, I Will Always Wish You All The Very BEST Of LUCK In Your Journeys. Keep True Music Alive!! Imagination Is More Important Than Knowledge!! Music Is The Universal Language Of Man Kind, And Also The Key To Life!!
