I started at 7feb 1979 as 17 years old nightclub customer who wanted to record a cassette and the owner liked my music choice and gave me a job that 1 day a week gig started. With in 4 weeks time to a full time job in club bombarde hilversum capital radio city in holland as dj after playing in small and big and mega big discotheque's in europe (austria,spain), u k Ministry of sound dj contests and ofcourse holland at this moment am in between jobs I am still working like back up dj in marcanti amsterdam west the afterhour club 13 and Cranes palace at rembrandts square now soon to start at club prime a fresh and new disco place next to the club smokies where i dee jayed in 2006- 2007 the start is ment to be to let feel the smokies. there big times are over

and i will let them feel
