On The Grind Mixtapes is a division of Makin' It Magazine. Makin' It Magazine is a monthly casual trade publication dedicated to helping independent artists, models, and urban entertainment industry professionals. Each month we reach 60,000 aspiring rappers, singers, producers, DJs, models, label execs, booking agents and more.

To download a free issue or find out about our other promotional opportunities please visit us at www.MakinItMag.com

The "On the Grind" mixtape series was started by Makin' It Magazine to help independent artists break their records without breaking the bank. Artists can submit their music to receive valuable feedback from industry professionals and the opportunity to have it placed on huge promotional mixtapes. 5,000 copies of each release are distributed in selected markets while also being distributed and promoted to millions of online listeners
