For the handsome and equally talented "Master Logikal", his stirring 2004-2005 release "Burning up" was an opportunity to show off his talent which qualifies with the most seasoned Soca artists.

Master Logikal has teamed up with Terri Lyons and Snakey from the Big Band SURFACE on his only power Soca release for the 2009 Carnival Season. "Whining Time Again Remix" was released in December 2008. Also Released in December '08 is His Groovy Soca Hit "Give It To Me"

"Master Logikal" will soon start production on his first album – "Yours To Discover" The Album Will consist of a transition of Master Logikal. From being only a Soca artiste and getting into "R&B and Reggae"

In 2010 Master Logikal Will Release "Gimme Some More" On The "Dr Know Riddim". A Mixture Of Dancehall & Soca, Slowly Moving His Music Into A Different Direction.

For 2011 Master Logikal Will Release His Groovy Soca "Hold On To Me" On The Virtual Riddim, His Reggae Tune "Never Be Alone" On The Best Friend Riddim & A Few Others Yet To Be Named. Collaborations Are In Place. For 2012.

There has been however, no word on when His Debut album will be released.
