Whats up world...Its ya Boy Dj S1 reppin Dat Bay Area..Cali ya feel me. I've been Dj for 15 years in various clubs all around the bay as well as lots of school dances and private parties. I spinn every thing from Old School R&B from the 70's & 80's to all the to 40 club stuff. My heart is with hip hop cuzz thats where it all started for me.. I think my heart is a turntable! Well im up on here to network and get my music out there to the world. I have a new production company..S1 Productions....We're workin with a few artist so be on the look out for us later this year and in the future..Here We Come to put out stamp on thangz....
