

Secondlife Center

For additional information please [contact us](#)
©2018 New Music Promote

The **Secondlife Center (New Music Promote)** is setup in lloga region in Secondlife, it consists of artists, djays and streaming audio where residents on secondlife can come to the center to listen to 1 of your songs or mixes, visit your profile and also download your (Free) mp3s directly from the secondlife platform. We have it setup so everyone will need to register as a music fan in order to download your FREE MP3 so it should be a wonderfull add on to services here at [NewMusicPromote.Com](#) and [ChicagoMusicPromotions.Com](#)

To download secondlife to your computer go to the following link below and register <http://www.secondlife.com> once your in-world be sure to send me a instant message [Mattchicago](#) [Clowdgate](#) so i can give you the grand 10 minute tour of both buildings we have setup for you all.

Visit our profile at:
