**Welcome ALL ICE and International Conflict Website Users** . We have setup a shop over on the forums and TeamSpeak so you can hear music from Independent Artists and Club Djs from my music sites and also as well other music sites i am apart of, So Enjoy. International Conflict is a MOD for Joint Ops Escalation and Typhoon Rising. So IF you want to come to a Awsome Game server that can handle over 250 users come join our Group on International Conflict and Get Setup.
