The Hot Rocks were recently featured on MTV U & Boost Mobile as part of their top 25 college bands of 2007. Last year The Hot Rocks were featured as a "soon-to-be-famous band" by Garnier Fructis(loreal) & Yahoo music. Jason was spotlighted in DRUM! magazine as part of their "fresh new blood" campaign. Cited as a "band to watch" by the Nashville Scene and were recently featured at the Tony Hawk/Journey's Backyard BBQ with Switchfoot and Family Force 5. The band is always out and about playing roughly 15-20 regional shows a month. The band is currently recording and writing songs for their 2nd studio album. "THE HOT ROCKS are the band you're been waiting for."
